15 Projects to Color Your Life

## Hand-Printing Studio

*15 Projects to Color Your Life • A Visual Guide to Printing on Almost Anything*

Create irresistible designs for your home with hand printing! Bring out your inner artist with 15 modern projects for your home, from a galvanized planter to glass vases and sweet floral curtains to a printed coffee table. A complete visual guide will teach you the secrets of block printing, screen printing, and disperse dye transfer techniques. Start with 12 charming patterns you can use right now, and branch out to sketch your own designs. Getting your hands messy, experimenting, and finding the perfect object to print on is all part of the fun!

- 15 colorful hand-printing projects for your home, with 12 ready-to-use patterns in Betsy Olmsted's thoughtful, sophisticated style
- Make over any surface—fabric, glass, wood, metal—with readily available supplies
- Complete visual guide to DIY printing! Make over any surface with block printing, silk screen, and disperse dye transfer
- Bring out your inner artist and explore new design ideas with this fun and freeing project book
