Wen Redmond's Digital Fiber Art

Combine Photos & Fabric • Create Your Own Mixed-Media Masterpiece

Compose, create, and print innovative art quilts starting from your own digital photographs—even those from your phone! Well-known fiber artist Wen Redmond starts with the tools and equipment you'll need—any image-editing software and a standard inkjet printer—and teaches you to alter images, print them on a variety of fibers, and accentuate them with stitching. With a sense of adventure, even a beginner can apply these techniques to create new and innovative works of art.

- Transform your photographs into matchless works of art with mixed-media techniques and quilting
- Explore inkjet printing on almost anything! Design with fabric, paper, and other substrates
- Get photo-editing, layering, and printing tips from respected fiber artist and teacher Wen Redmond
- Learn new approaches to digital printing—perfect for quilters, fabric and paper artists, digital artists, mixed-media artists, photographers, art teachers, and more
