fast2mark™ Paula Nadelstern's Triangle Template Sheets for Quilters

Easy to See & Mark Repeat Motifs

- *For Kaleidoscope & Other Complex Blocks*
- *27 Single-Use Triangles, 9 Heavyweight Vellum Sheets*

Take the guesswork out of drafting perfectly accurate angles for stunning kaleidoscope blocks! Transparent triangle templates in 30°, 45°, or 60° angles guide motif choices and enable you to easily replicate a piece multiple times. Use permanent marker to copy key design elements onto the templates, which include seam allowances. These versatile templates can be also be used to sew spider webs, Maltese crosses, and other complex, symmetrical designs that rely on perfectly matched seams.

- Pinpoint fabric's recurring designs with this essential helper for kaleidoscope blocks and more
- Cut 30°, 45°, or 60° triangles using 27 thin, transparent templates—enough for several projects
- So simple! Trim templates, place on fabric, and mark the desired motif to be cut over and over again
