Kraft Paper Fabric

Wait until you get your hands on this sampler pack of the rugged paper that looks, feels, and wears like leather, but sews, cuts, and washes like fabric. kraft-tex is supple, yet strong enough to use for projects that get tough wear. Use it to bring an exciting new texture to your craft-sewing projects, mixed-media arts, home decor, and bookmaking. The 8 1/2" x 11" sheets are sized to fit in standard printers and die-cut machines, plus they're perfect for adding embellishments or making smaller projects. Durable fiber-based texture softens and crinkles with handling and washing.

- Get all five colors—Natural, Black, White, Chocolate, and Stone—2 sheets of each color in one pack!
- So many ways to play with kraft-tex—sew it, stamp it, paint it, emboss it, draw or inkjet-print on it
- Gallery of project images will inspire you to create, while included tips will have you crafting like an expert
